

This year's plan to make our school even better!

Effectiveness of Leadership & Management

- Help you to get to know our new Governors
- Create a new 'Friends of Abbott' team
- Develop pupil empowerment through Kagan Structures

- Work with the Local Authority to increase the number of places we can provide
- Subject Leaders to improve achievement in their subjects
- Head Teacher to begin Executive Head Training

Outcomes for Children and Learning

- Increase % of children achieving expected and higher standard in Reading in all year groups
- New library and books to promote reading for pleasure

- Buy new reading schemes to ensure there are a range of texts available at all reading levels
- Devise and implement new assessment systems for all subjects, to fit alongside Reading, Writing and Maths

Personal Development, Behaviour and Welfare

- Ensure that pupils are aware of how their education equips them for the next stage of their education, employment and their adult life.

- Pupils taking more responsibility for their behaviour for learning
- All staff are aware of vulnerable pupils regarding their emotional and mental wellbeing and know who to inform about this.

Quality of Teaching, Learning and Assessment

- Make sure teaching continues to be at least good or outstanding in all classes
- All leaders to monitor teaching and learning in all subjects

- Ensure that British values are fully embedded in all lessons
- Challenge for pupils must be evident in all subjects, ensuring 'Greater Depth' opportunities in History and Geography

Effectiveness of the Early Years

- Ensure all Nursery children have a reading book
- All reception children to have regular homework activities, as well as reading

- Develop and promote the focus of Expressive Art and Design throughout the EYFS.
- Continue to embed Forest School learning throughout the EYFS curriculum with parental involvement

2017-2018
