### **2023-2024 KS2 Achievement by Pupil Characteristics: Disadvantaged Pupils**

Evidence shows that, overall, performance of disadvantaged pupils is lower than that of other pupils. This data indicates how well a school does at tackling this difference. Disadvantaged pupils are those who were eligible for free school meals at any time during the last 6 years and children looked after (in the care of the local authority for a day or more or who have been adopted from care).

You can compare the pupils' results with performance of non-disadvantaged pupils at state-funded schools at local authority and national level.
